At the Bohemia Civic Association's meeting on Wednesday, June 1, at Oakdale-Bohemia Middle School, Suffolk County Legislature Presiding Officer William J. Lindsay congratulated the members of the newly formed Bohemia Junior Civic Association as they completed their first year as an organization.

"I just want to say how proud I am of these students for joining a civic association so early in their lives," said Presiding Officer Lindsay. "These are young people with endless potential and they are the future of our community. I am confident these young men and women will continue to make excellent decisions and make us proud."

Presiding Officer Lindsay also welcomed a presentation regarding the Red Light Camera Safety program from Suffolk County Department of Public Works Chief Engineer Bill Hillman, Traffic Specialist Daniel Dresch and Chief Budget Examiner from the County Executive's office, Kim Brandeau.

"The safety of our residents is always our top priority when working in government," said Presiding Officer Lindsay. "I thank Bill, Dan and Kim for keeping us all informed and up-to-date on the procedures and conditions of the red light safety program."
